

Vastus Wealth

DEAR 8VI COMMUNITY MEMBERS,
YOU ARE INVITED TO AN AFTERNOON OF
NETWORKING & BUILDING MEANINGFUL
LEGACIES AS BUSINESS LEADERS

Whether you are a seasoned business leader or an emerging entrepreneur, we would like to invite you to our first exclusive Business Leaders Networking Event. This will be a unique opportunity to expand your network, share insights and build partnerships with like-minded leaders from the Founders Club and Infinite Wealth community.

Thought-Provoking Discussions on how to build meaningful legacies while balancing ambition and fulfilment in your business will be the key focus of the event. Wine enthusiasts can expect a tasting experience and network in a relaxed atmosphere. Through this event, we hope to help the community cultivate relationships with other business leaders and foster a community of professionals who can offer mentorship and support to one another.
